

# **!!! PUBLIC NOTICE !!!**

**TO: VOTERS OF MIAMI COUNTY**

**FROM: RICHARD ADAMS, CANDIDATE FOR OHIO HOUSE OF REPRESENTATIVE 79th DISTRICT**

**Honesty and integrity are the cornerstones of public service. As the superintendent of Upper Valley JVS and as a two term Miami County Commissioner, I demanded honesty and integrity from myself and those who worked for me. I have applied these same principles in my campaign for State Representative for 79th District.**

**Unfortunately, my opponent, Democrat Melissa Stanley, and the Ohio Democratic Party have resorted to lies and distortions in a last minute attempt to win your vote. Stanley and the Democrats in Columbus have flooded Miami County mailboxes with false claims about my record. The lies claim, I am insensitive to senior citizens, military veterans and sportsman's rights. All of these claims are false.**

**I have been endorsed by the National Rifle Association, the Ohio Fraternal Order of Police, The Ohio Farm Bureau, The Ohio Medical Association and the Ohio Right to Life. The voters of Miami County deserve better than the dirty politics and cheap tricks thrown out by Stanley and the Democrats in Columbus just three days before the election. Don't be fooled by lies and negative campaign advertising. If elected, I will serve the voters of the 79th District with the honesty and integrity I have demonstrated during my lifetime of public service.**
